

America's Favorite Garage Doors®

WOOD STOP MOLDINGS

AND VINYL WEATHERSEALS FOR GARAGE DOORS

MATCH YOUR EXISTING GARAGE DOOR

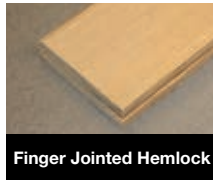

Our wood stop molding is available in the same wood species as our Reserve® Wood and Classic™ Wood doors, and can be painted or stained to match the door. A vinyl weatherseal is available in white, gray, brown or black and reduces air infiltration and wear.

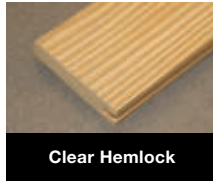

Wood Stop Molding
available in the same wood species, and factory stained to match your existing door
